

STI FLUORESCENT LIGHT DAMAGE STOPPERS®

STI-9880

PRODUCT OVERVIEW

Here is a solution to ensure that large fluorescent lights continue to illuminate crucial areas without the need for frequent bulb replacements due to vandalism, accidental damage, or other forms of abuse. These easy to install wire cages are shipped with provided screws and anchors. Adjustable in length, they accommodate a variety of fluorescent twin-tube lighting fixtures.

BACKED BY A THREE YEAR GUARANTEE

In addition to their attractive design, these Stoppers feature exceptional durability. They are constructed of heavy duty, welded steel wire with a tough, corrosion resistant polyester shell. As with all STI Wire Guards, they are backed by a three year guarantee against breakage in normal use.

KEY FEATURES
